I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: My Doctor prescribes Dextromethorphan
for my wife's post herpetic neuralgia. Though we
live in a major center (Phoenix AZ) we
cannot obtain it locally & must buy by
mail in Colorado.
